

# AeroBase Group Expands Digital Access Across Japan, South Korea, and Taiwan

SAINT AUGUSTINE, FL, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- [AeroBase Group](#), Inc., a leading global distributor of aerospace, defense, and medical components, announced the launch of new localized websites to better serve clients in Japan, South Korea, and Taiwan. This strategic expansion enhances digital accessibility and strengthens AeroBase Group's commitment to meeting the unique needs of customers across East Asia.

The new platforms—available in [Japanese](#), Korean, and [Traditional Chinese](#)—are tailored to support regional procurement operations with full access to AeroBase Group's global inventory. Each site offers a streamlined interface, industry-relevant terminology, and real-time access to parts, pricing, and compliance documentation.

The localized websites feature:

- A complete catalog of aerospace, defense, and medical components
- Real-time inventory tracking and quoting capabilities
- Region-specific product categories and support resources
- Integrated compliance data aligned with local and international standards

This initiative aligns with AeroBase Group's broader international growth strategy. With active customers in over 100 countries, the company continues to expand its footprint in high-priority regions through tailored service and digital innovation.

As demand rises across East Asia for advanced defense and aerospace systems, AeroBase Group's enhanced online presence positions it to support faster procurement cycles, improved communication, and greater supply chain efficiency.
