

Rosy Posy Papillon Books Celebrate Friendship & Purpose While Giving Back: 100% of Author's Royalties Aid Rescue Dogs

One Papillon Puppy, Rosy Posy, Inspires Children's Series & Proceeds Will Be Donated to Fund the Rescue She Came From!

SANTA ROSA, CA, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- [Blue Balloon Books](#) is excited to announce the release of [Rosy Posy Papillon: FRIENDSHIP](#) and [Rosy Posy Papillon: PURPOSE](#) by author Dr. Diana Rangaves.

"The Rosy Posy series was created with young readers in mind to teach values we all use in everyday life," says Dr. Rangaves. "The real Rosy Posy rescue dog came from [Pap Haven Rescue](#) where she enjoyed many farm adventures."

Rosy Posy Papillon: FRIENDSHIP cover

Proceeds from the Rosy Posy series will be donated to Pap Haven Rescue, ensuring Rosy Posy's original home and fellow papillon friends are well looked after.

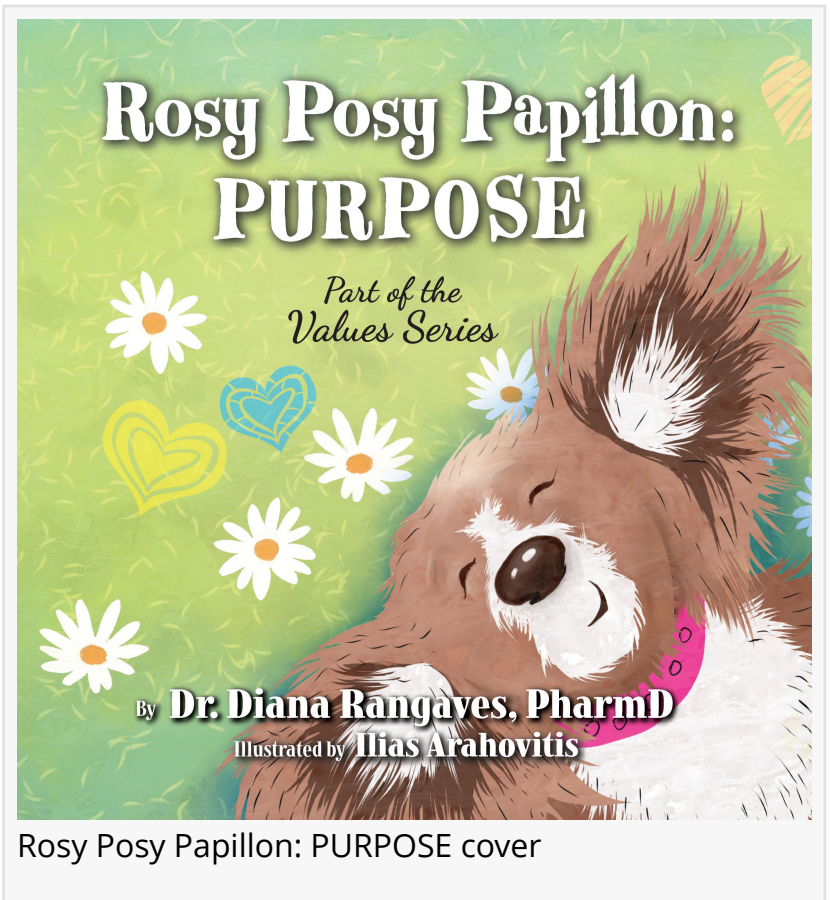

In [Rosy Posy Papillon: FRIENDSHIP](#), children will follow Rosy Posy as she encounters all sorts of characters. While some are fast friends, others take their time. Throughout the story, readers will learn a song about friendship and come to see that individuals from all walks of life can enjoy each other's company.

As readers continue the adventure with [Rosy Posy Papillon: PURPOSE](#), they'll be challenged—just like Rosy Posy—to consider what they uniquely contribute. As Rosy Posy goes on the search for a missing boy, she realizes her purpose was a talent she had all along!

With education about Down syndrome and disability representation, this book doesn't just encourage children to explore their unique talents; it also allows little minds to learn about others who may be different from them and recognize that it's okay to be different.

Dr. Rangaves believes early readers will learn the following from her adorable series:

- Universal values that are acceptable anywhere in the world
- Lessons in sharing
- Early communication skills (listening and speech)
- Teachable moments
- Strong family bonds
- Early development of ethics
