CLERMONT, FL, UNITED STATES, July 21, 2025

/EINPresswire.com/ -- A new book, *The End-Time Wealth Transfer – We Must Prepare to Receive It*: by Dr. Dan Boykin. Drawing from visions and prophetic insight, Dr. Boykin offers a timely call to spiritual alignment, [obedience](#), and stewardship in anticipation of what he describes as a significant wealth transfer coming to the Body of Christ.

Far from a financial manual or prediction, this book urges believers to examine their hearts, align with God's priorities, and prepare for a Kingdom-level shift. According to Dr. Boykin, the book is both an invitation and a warning—to be positioned spiritually, not just materially, for what is ahead.

Key topics explored include:

Who is positioned to receive the coming wealth transfer

- Why spiritual alignment is critical in this season
- The role of mercy, obedience, and surrender
- Principles of biblical stewardship for end-time resources
- How to prepare in advance for [divine](#) release

Dr. Boykin writes from the perspective of a prophetic watchman, sharing a vision he received regarding a “Kairos moment” in which the Lord Jesus reveals both the blessing, and the accountability connected to this transfer. The book emphasizes [repentance](#), consecration, and living as a “living sacrifice” in readiness for what is to come.
