Each Film Mixer offers a unique blend of education, networking, and hands-on engagement, and the June event delivered on all fronts. The evening featured a powerful keynote presentation by guest speaker Beth B. One of the night's highlights was a dynamic Screenwriting Panel, moderated by film director and producer Andrew Burn (@andrewburnfilm) and featuring a powerhouse lineup of writers: Mike Hale – Screenwriter, professor, and musician; Jen Butler – Dark comedy screenwriter, Barnes & Noble bestselling author, and one of the ISA's Top 25 Screenwriters to Watch in 2025 (with over 300K followers online @jenbutlersays); Dayna Noffke – WGAE writer and director of female-powered horror with hear; Alex Javo – Writer, director, and star of Ambrogio: The First Vampire, now in wide release.

The June Mixer also offered live demos and activations, including a special FX makeup demonstration by Noah Rosenthal of The Catalyst FX, meet and greet with swag from Quixote Production Supplies, and a grip truck tour and on-set lighting experience hosted by Solaris Light

and Grip. Local food vendors served hot plates alongside a full-service bar and a sober bar option, ensuring everyone had something to enjoy.

TitleFrame's in-house multi-cam team, directed by Matt Bryant, captured the panel discussions and activations, now available on TitleFrame's social media.
