

Circle Successfully Completes SOC 2 Audit

Successful SOC 2 audit ensures Circle's continued commitment to trust and compliance.

NEW YORK, NY, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- [Circle](#), an AI platform that bridges the gap between health companies, insurance brokers, and the consumers they serve, today announced its successful completion of its SOC 2 examination as of June 25, 2025.

The SOC 2 audit was conducted by A-LIGN, the leading provider in cybersecurity compliance trusted by more than 4,000 global organizations to help mitigate cybersecurity risks.

"This is a huge milestone for our organization—it demonstrates our continued commitment to security, compliance, and trustworthiness in everything we do," said Gerard Carey, CTO and Co-founder

Established by the American Institute of Certified Public Accountants (AICPA), the SOC 2 examination is designed for organizations of any size, regardless of industry and scope, to ensure the personal assets of their potential and existing customers are protected. SOC 2 reports are recognized globally and affirm that a company's infrastructure, software, people, data, policies, procedures and operations have been formally reviewed.

“

Congratulations to Circle on earning their SOC 2 attestation, a widely recognized signal of security. It's great to work with organizations who understand the importance of a high-quality report.”

Steve Simmons, COO of A-LIGN

“Congratulations to Circle for completing their SOC 2 audit, a widely recognized signal of trust and security,” said Steve Simmons, COO of A-LIGN. “It's great to work with organizations like Circle, who understand the value of expertise in driving an efficient audit and the importance

of a high-quality final report."

This certification demonstrates Circle's continued commitment to compliance and ensures customers with the confidence that required safeguards are in place to protect their data.
