

Insurance Biz Africa Launches pan-African Insurance Webinar Master Series

JOHANNESBURG, GAUTENG, SOUTH AFRICA, July 12, 2025

/EINPresswire.com/ -- Digital news publisher, [Insurance Biz Africa](#), is proud to announce the launch of a series of pan-African webinar sessions whose objectives are to take an unprecedented deep dive into the forces reshaping the insurance industry across Africa and the world.

The 8-part series, themed: "Innovate. Adapt. Insure the Future", hosted by Insurance Biz Africa, will feature two-hour webinars designed to unpack the most pressing risks, opportunities, and regulatory changes facing insurers across Africa and beyond.

"This is a pivotal moment for the insurance industry. The annual webinar series will provide crucial insights into topics from AI and climate risk to ESG, equipping professionals and regulators to navigate volatility with confidence. The series is designed to ignite long-lasting conversations around pertinent areas of insurance and reinsurance upon which the industry can build solutions," says Insurance Biz Africa Founding Editor and Managing Director of New Africa Business News Services (NABNS), Kwanele Sibanda.

"At NABNS, we believe the time is ripe for bold conversations and collaborative thinking. Our series will not only educate but spark innovation, ensuring insurance and reinsurance remain pillars of economic resilience," adds Kwanele.

"Kicking off with Insuring Against Civil Unrests on the 23rd of July, the timing couldn't have been more perfect, especially seeing what is currently happening across Africa in countries like Kenya, the Democratic Republic of Congo, Togo, Mali and Lybia because of political tensions. This 2-hour
