

# Jeff Kagan has been helping companies increase their visibility for 40 years

*Industry Analyst, Columnist, Tech Influencer Jeff Kagan helps wireless, telecom, AI companies be seen and heard*

ATLANTA, GA, UNITED STATES, July 14, 2025

/EINPresswire.com/ -- Jeff Kagan is an Industry Analyst, columnist, tech influencer and host of the podcast "Jeff Kagan Interviews". He has been helping increase their corporate profile in the noisy and chaotic industry. Now, he can help other companies do the same thing to be seen and heard by investors, customers and the media.

Working as an advisor to senior executive teams, Kagan helps them raise visibility across the tech, telecom, [wireless](#), and [AI](#) sectors.

Jeff Kagan is one of the best-known, most quoted, and trusted industry voices and experts.

He reaches the same followers your company also wants to reach on a daily basis.

Kagan has built a strong reputation as a high-level advisor who helps both established firms and emerging companies break through industry noise and earn customer, investor and media attention.

Capturing the attention of the marketplace for their company is one of the top goals of every CEO and CMO. This is what Kagan helps them achieve.

“

Expert assistance helping you raise your profile in the noisy and distracting industry.”

*Jeff KAGAN*

Kagan comments on industries including 5G, AI, Wireless, Telecom, IoT, Communications Technology, Streaming TV, Broadband, Wi-Fi, and more.

He also works with companies in other sectors who use these technologies to innovate, grow and transform their
