Robert U. Montgomery

"Summertime is the perfect opportunity to get outside and enjoy nature, each other, and the world around us," says Montgomery. "My children's books are gentle reminders to parents and grandparents to slow down and spend meaningful time with the kids in their lives. It's not just fun, it's how lasting memories are made. These are the moments your family will cherish forever."

Children's Books by Robert U. Montgomery

-- Cindy Sue and the Lunker Club: <https://bit.ly/4lvkxdt>

-- A fun, family-oriented fishing story that appeals to all ages.

-- Who Let the Bugs Out? <https://bit.ly/44vfPGC>

-- Who Let the Frogs Out? <https://bit.ly/4kCTBaj>

– A ribbiting romp through wetlands and backyard puddles that inspires kids to hop into nature.

-- Who Let the Dinosaurs Out?

<https://bit.ly/463XXDP>

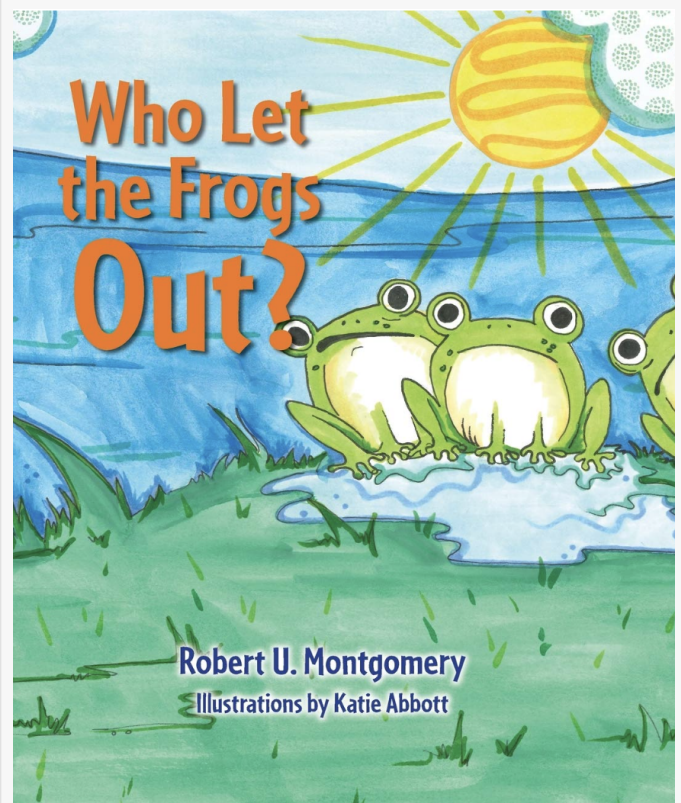

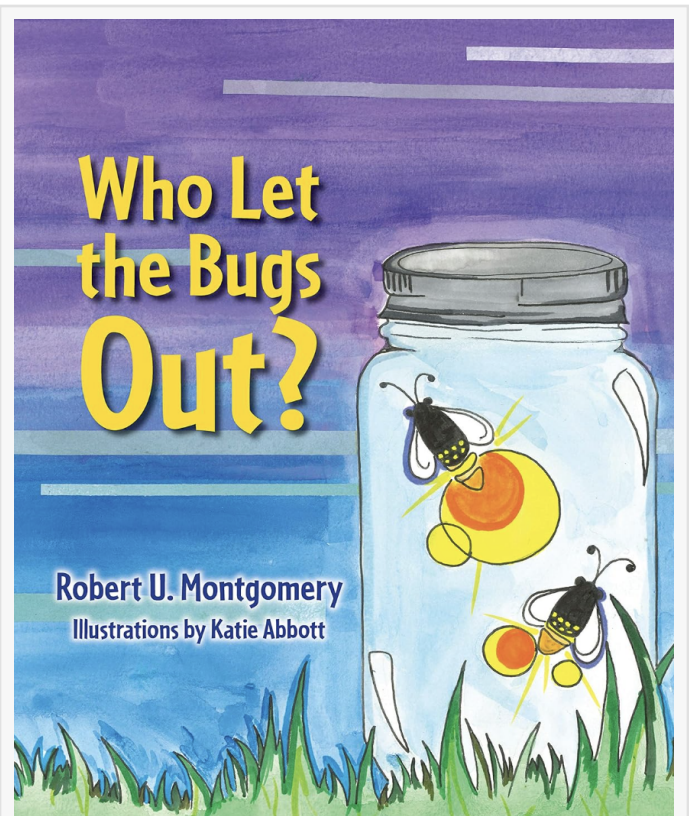

– A dino-themed escapade where curiosity meets prehistoric fun in today's outdoor world:

Montgomery, a beloved storyteller known for his evocative nature writing and keen understanding of intergenerational connections, has struck a nostalgic chord with Baby Boomers and Gen X readers. These generations, now raising or spending time with grandchildren, are embracing Montgomery's stories as treasured tools for family bonding.

"I hear from grandparents all the time who tell me their grandchildren love my stories and are inspired to go outside and try the classic games I write about, like playing 'kick-the-can,'" says Montgomery. "These books aren't just stories, they're opportunities for families to bond and for kids to join in the nature fun that makes childhood so unforgettable."

Montgomery's books are more than entertaining tales; they are a testament to childhood itself. They remind readers of what it means to be curious, brave, and joyfully unplugged. Especially during the summer months, they serve as a gentle nudge to get reacquainted with outdoor activities, from bug hunts and fishing trips to flashlight tag and family hikes.

"My books are perfect for parents, teachers, and especially grandparents who want to spark curiosity and meaningful conversations with the children in their lives," says Montgomery. "It's an

honor to see them becoming a staple on family summer reading lists.”

About the Author:

Robert U. Montgomery is a celebrated author and veteran journalist renowned for his evocative storytelling rooted in adventure, nature, conservation, and the outdoors. With a background in education and a lifelong passion for wild places and the written word, Montgomery continues to captivate readers through both fiction and nonfiction works that explore humanity’s deep connection to the natural world.

His latest novel, *Wolfchild*, is a mystifying and suspenseful tale that pits good against evil in a breathtaking mountain setting, culminating in a dramatic climax during a powerful storm. “I’ve always felt a deep bond with wolves,” Montgomery shares. “But the most profound moment came on a cold February day when I found myself face-to-face with a pack. They were just as curious about me as I was about them.”

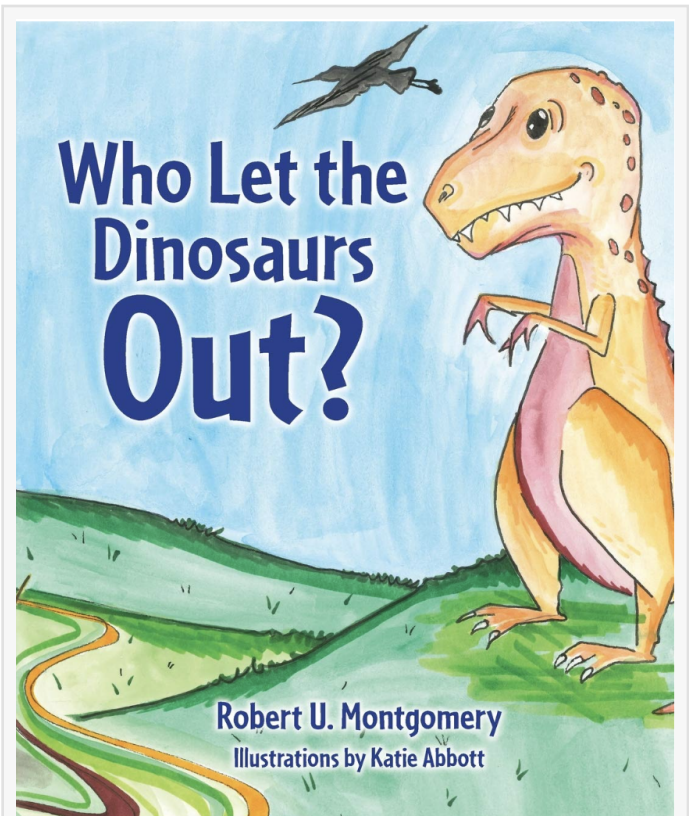

Montgomery is the founder of [Howler Books](https://howlerbooks.com/) and RUM Publishing, where he shares his growing body of work with readers around the world.

Montgomery is available for interviews.
