Dr. Mohana Rao Patibandla, Best Neurosurgeon in India, Shines as Faculty Speaker at SMISS-AP 2025 Conference in Mumbai

GUNTUR, ANDHRA PRADESH, INDIA, July 14, 2025 /EINPresswire.com/ -- Dr. Mohana Rao Patibandla, widely recognized as [the best neurosurgeon in India](#) and [the best spine surgeon in India](#), distinguished himself as a faculty member at the 5th Annual Conference of the Society for Minimally Invasive Spine Surgery Asia/Pacific (SMISS-AP), held alongside the combined annual meetings of MISSAB and BSS, from July 10-13, 2025, at The Taj Mahal Palace, Mumbai.

As a panelist and speaker, Dr. Rao, celebrated as [the best minimally invasive brain and spine surgeon in India](#), shared his expertise on tubular lumbar discectomy and minimally invasive tubular spine tumor removal surgery. His presentations underscored the precision and patient benefits of these advanced techniques, which reduce recovery times and complications compared to traditional methods. Dr. Rao's insights captivated attendees, reinforcing his leadership in neurosurgery.

With fellowships in minimally invasive skull base surgery, pediatric neurosurgery, neuro-oncology, stereotactic radiosurgery, and endovascular neurosurgery from the USA, Dr. Rao has transformed healthcare in Andhra Pradesh. His hospital, Dr. Rao's Hospital in Guntur, features the Telugu states' first biplane cath lab and a hybrid operation theater, setting benchmarks in innovative care. Recently honored with the Sardar Vallabhai Patel Unity Award (Economic Times,
