Fly to India with More Baggage from USA and Canada

“

It's not just about flying cheap — it's about flying smart.”

Abhinandan Katoch

USA/Canada to India, aligning available flights within reputable airlines. Now, passengers from the USA and Canada can get maximum benefits in terms of baggage, which is often missed by many.

FlyDealFare keeps pace with flyers, highlighting ways to make bookings smartly with phone-based consultation on

travel hassles. The travel agency also ensures that travellers have an extensive range of Reservation Booking Designators—RBDs or fare types, choosing flight options, to meet their baggage needs.

Book Smart, Pack More — Without Paying Extra Later

Not all economy tickets are created equal. For example:

- > Fare A: Basic economy with only one checked bag
- > Fare B: Slightly higher fare but includes two checked bags

What's your catch? That's true—as most of the online travel booking platforms work within limitations; it shows Fare A, the cheapest but not necessarily the best travel needs and baggage details. Reaching with FlyDealFare won't let that same happen within the online booking service, but keeps customers' personal needs prioritised. Apart from comparing fare classes in real-time, it helps clients find airfare that avoids costly baggage.

“Many travelers book online, thinking it's cheaper, only to end up paying more for extra bags. Our team helps travelers understand their real options before they book,” says a FlyDealFare representative Jagriti Kumar.

FlyDealFare's phone booking also gives access to:

- > Unpublished deals not shown online
- > Tailored itineraries based on visa, layover, or airline preferences
- > Quick help with date changes, flight disruptions, or cancellations

The result? A stress-free and cost-effective way to book [flights to India](#) — whether it's for family reunions, business trips, or festival travel.
