

BlueGrace Energy Bolivia Applauds Emmo Fittipaldi's F2 Signing and Honors F1 Legacy at Goodwood 2025

F2-bound Emmo to race in Netherlands and Belgium as his father Emerson joins F1 legends at the Goodwood Festival of Speed.

LONDON, GREATER LONDON, UNITED KINGDOM, July 15, 2025

/EINPresswire.com/ -- BlueGrace Energy Bolivia (BGEB), a pioneer in voluntary carbon credit solutions and sustainable finance innovation, proudly celebrates a triple milestone in the

Fittipaldi legacy. From Emmo Fittipaldi's upcoming launch into FIA Formula[®]2, to his EuroCup[®]3 campaign, to Emerson Fittipaldi's celebrated appearance at Goodwood, BGEB's collaboration with the motorsport icons demonstrates how high performance and environmental responsibility can coexist.

“

“This is more than a racing promotion—it's a reflection of what persistence, ethics, and vision can accomplish,”

Julio José Montenegro, CEO of BGEB

Emmo Fittipaldi Jr. has officially been signed by AIX Racing as part of their Formula[®]2 driver lineup for 2026, marking a significant stage in his motorsport career as he continues to compete this season in EuroCup[®]3, preparing through two key races:

- TT Circuit Assen, Netherlands – August[®]8–10, 2025 (Round[®]5)
- Circuit de Spa-Francorchamps, Belgium – September[®]4–5, 2025 (Round[®]6)

Meanwhile, Emerson Fittipaldi, twice Formula[®]1 World Champion and Global Brand Ambassador for BGEB, made a prestigious appearance at the Goodwood Festival of Speed (July[®]10–13, 2025). At this event commemorating F1's 75th anniversary, Emerson performed a hillclimb in his iconic McLaren M23 and joined six fellow world champions on the Goodwood House balcony

“To see my son step up to Formula 2 while I reunite with a car that defined my career—it’s a surreal and emotional time for our family,” said Emerson Fittipaldi, Global Brand Ambassador for BGEB.

A Partnership Built on Sustainability
BlueGrace Energy Bolivia supports Emmo’s professional trajectory while pursuing its mission through the BlueGrace Amazon Carbon Token ([BGACT](#)), a fully verified, [ISIN](#)-listed digital asset on [NeXchange](#):

- Token ticker: BGACT
- ISIN: UK.BG.MAX 785.985257
- Platform: NeXchange
- Asset-backed: over 20.5 million acres of preserved Amazon rainforest

BGEB’s initiatives channel investments into verified nature-based solutions—reforestation, forest conservation, Indigenous community partnerships—and deliver measurable carbon emissions offsets.

“With BGACT, we’ve bridged institutional climate finance and effective on-the-ground conservation,” added Montenegro. “Through our motorsport efforts, we’re showcasing how culture, sustainability, and innovation can accelerate in harmony.”

BlueGrace Energy Bolivia
