

Jeff Kagan helping wireless, telecom, AI companies raise their profile for 40 years

Industry Analyst, Columnist, Tech Influencer Jeff Kagan helps wireless, telecom, AI, tech companies be discovered

ATLANTA, GA, UNITED STATES, July 15, 2025

/EINPresswire.com/ -- Jeff Kagan is a leading Industry Analyst, columnist, tech influencer and host of the podcast "Jeff Kagan Interviews". He has been helping client companies increase their corporate profile in the noisy and chaotic industry. He helps companies be seen and heard by investors, customers and the media.

As an advisor to senior executive teams, Kagan helps companies raise visibility across the tech, telecom, [wireless](#), and AI sectors. He helps them raise their profile to reach the market they are looking for, customers, investors, workers and the media.

Jeff Kagan is one of the best-known, most often quoted and trusted industry voices and experts. Through his daily work, Kagan reaches the same follower's companies also want to reach.

Jeff Kagan Industry Analyst,
Columnist, Influencer

Kagan clients include large and small competitors including, but not limited to AT&T, Verizon, Comcast Xfinity Mobile, Qualcomm and dozens more, large and small.

Jeff Kagan has been described as the "most widely quoted analyst in the telecommunications industry" by Dick Martin, former EVP of Public Relations at AT&T.

He writes a regular column for news sites including RCRWireless.com, Equities.com, TechNewsWorld.com, Global Analyst (India) and others.

Kagan has 200,000 direct followers on Twitter (x) and LinkedIn. He also reaches hundreds of thousands more, who are not direct follower. Plus, all the readers of his several columns.

Jeff Kagan has built a strong reputation as a high-level advisor who helps both established firms and emerging companies break through industry noise and earn customer, investor and media
