

Super Brush LLC to Showcase Precision Foam Swab Solutions at ADLM 2025 Clinical Lab Expo – Booth #5140

Super Brush is pleased to announce its participation in the ADLM 2025 Annual Scientific Meeting & Clinical Lab Expo

SPRINGFIELD, MA, UNITED STATES, July 14, 2025 /EINPresswire.com/ -- Super Brush LLC, a recognized leader in foam swab technology for over 65 years, is pleased to announce its participation in the ADLM 2025 Annual Scientific Meeting & Clinical Lab Expo, taking place July 27–31, 2025, at the McCormick Place Convention Center in Chicago, IL. Super Brush will exhibit at Booth #5140, showcasing its full range of innovative, USA-made foam swab solutions.

Hosted by the Association for Diagnostics & Laboratory Medicine (ADLM), this event is the world's premier platform for laboratory medicine professionals, featuring breakthrough technologies and the latest scientific advancements in diagnostics.

“

Our in-house manufacturing gives us the flexibility to create custom foam swabs tailored to specific application needs”

Diane Henry, Director of Sales

Super Brush will feature a wide range of foam swab applications, including:

- Swabs for diagnostic testing kits
- Swabs for device assembly operations
- Swabs for inclusion in medical kits and surgical trays
- Swabs for precision cleaning of electronics, printers, and delicate lab equipment
