AUSTIN, TX, UNITED STATES, July 14, 2025 /EINPresswire.com/ -- With millions of baby boomers entering retirement age, the U.S. is facing a critical shortage of Physical Therapist Assistants (PTAs) and support staff to meet rising healthcare needs. A new website, [PTASchoolsNearMe.com](https://PTASchoolsNearMe.com), has launched to help close this gap by streamlining the process for students to discover and enroll in accredited PTA and Physical Therapy Aide (PT Aide) programs across the country.
