

Business Buddy Marketing Agency Takes Home Three Best of South Carolina Titles

GREENVILLE, SC, UNITED STATES, July 16, 2025 /EINPresswire.com/ -- Business Buddy Marketing Agency has been recognized with a 2025 Best of South Carolina Award, placing in three standout categories: Best Digital Marketing Firm, Best Website Design Firm, and Best Overall Marketing Firm. Based in Greenville, this agency has earned a reputation for helping businesses across the region get found, generate leads, and grow with purpose.

Founded by Jessica Hensley, Business Buddy Marketing Agency delivers tailored marketing strategies that combine web design, SEO, social media management, and lead generation. Their approach is simple but effective: define the brand, develop digital infrastructure, and future-proof business growth. The team doesn't believe in one-size-fits-all campaigns—they believe in building long-term partnerships with measurable results.

"We're not just here to make things look good—we're here to make things work," says Hensley. "This recognition means a lot because it reflects the trust our clients place in us and the outcomes we've helped them achieve. We see every business we work with as an extension of our team."

Business Buddy's impact goes beyond design and data. Their clients range from small startups to growing mid-sized firms across the Carolinas, each benefiting from the agency's hands-on, transparent, and forward-thinking approach.

As for what's next? The team is focused on expanding its offerings while staying rooted in what sets them apart: real relationships, smart strategy, and a shared drive to help local businesses thrive. They're not just another marketing firm—they're The Team That Makes Your Phone Ring. And they've got no plans to slow down.
