When it came time to select this year's recipient, Bad Rooster® Food Truck stood out as a reputable company in the food truck industry. Known for its skilled and friendly team, Bad Rooster® Food Truck has earned a strong reputation within the Twin Cities metro area, with glowing reviews from countless satisfied customers. Below are just a few of the many positive testimonials from customers who were highly impressed by Bad Rooster® Food Truck's communication and exceptional service:

"The best chicken you've ever eaten in your life! Whether chicken tenders, (scrumptious,) naked bird sandwich or the nay-nay, all are superior! And the sauces? Cluck sauce is awesome, whiskey barbecue is great, Brai's honey barbecue is an absolute award winner, but my favorite is the MN Honey Hot sweet. I want to drink it!"

"This is likely the best chicken you will taste in the Twin Cities. The sauces are close to being the highlight as well. So flavorful, chicken is tender and super juicy (we all got tender baskets). Paging system for food was easy and staff was nice. 12/10 would recommend."

"Delicious. The owner is clearly very passionate about their craft -- we spoke a bit about the pepper choices, interactions with customers, and ingredients. Most everything is Minnesota sourced and very high quality. This place does heat levels ranging from a heat a warm-blooded Minnesotan can handle to melt your face off HOT. This is what the 1 to 5 scale SHOULD be when you're asked how spicy you want something! I'll be keeping an eye out for this truck next time I find myself at a food truck festival!"

"The BEST chicken tenders you will find anywhere in the Twin Cities HANDS DOWN!! The flavor is incredible, the tenders are so meaty, and the cluck sauce just doubles the goodness. Fries are

always perfectly crispy and hot and the coleslaw is fantastic. Go out of your way to find this truck and thank me later! Every employee working in there is so friendly and it's just all around the best experience."

"The Bad Rooster Food Truck team consistently goes above and beyond to ensure delicious meals for every customer."
