*Mountain Annie's Cannabis operates four dispensaries across Western Colorado. Their Cortez location recently relocated down the road to 439 E. Main St.*

CORTEZ, CO, UNITED STATES, July 14, 2025 /EINPresswire.com/ -- Mountain Annie's Cannabis has officially relocated its Cortez recreational dispensary to a new, larger storefront just down the road at [439 E Main Street](#). Still located in the heart of downtown Cortez, the new location offers customers a more spacious shopping experience, easier access, and convenient off-street parking.

Previously operating at 301 E Main Street, the Cortez dispensary is now open in the former Lotsa Pasta building—right next to Cork-n-Bottle and across from the Methodist Thrift Shop. The new spot sits along US Highway 160, within walking distance of Burger Boy Drive-In, the Super 8 Hotel, and other popular Cortez retailers and restaurants.

"This move is all about creating a better experience for our customers," said the Mountain Annie's team. "We've got the same great products and the same friendly budtenders—just more room to browse and a lot more parking."

There are no changes to store hours, staff, or management—just a fresh new space with all your favorites. Customers will continue to find a wide selection of top-shelf flower, pre-rolls, edibles, concentrates, vapes, and accessories from trusted Colorado cannabis brands. Whether you're a seasoned consumer or a curious first-timer, our knowledgeable budtenders are here to help you find the right product and have a great experience every time you visit.
