

One Water Systems Supports Helen Woodward Animal Center's Spring Fling Gala to Promote Community and Compassion

SAN DIEGO, CA, UNITED STATES, July 16, 2025 /EINPresswire.com/ -- [One Water Systems](#), a San Diego-based leader in eco-friendly water filtration, proudly participated as a sponsor of the Spring Fling Gala 2025, hosted by the Helen Woodward Animal Center on June 14, 2025. The annual fundraiser, now one of Southern California's most cherished charitable events, brings together local businesses and community leaders in support of animal welfare and adoption services.

This year's gala, themed "Bark to the Future", welcomed hundreds of guests for an evening of gourmet tastings, entertainment, and live auctions—all dedicated to funding the center's mission of "people helping animals and animals helping people." One Water Systems' sponsorship reflects the company's long-standing commitment to environmental sustainability, health, and community enrichment.

“

It's an honor to support an organization like Helen Woodward that leads with compassion and service.”

Kevin

Local Business, Local Impact

As a trusted provider of [whole-house water filtration systems](#) throughout San Diego County, One Water Systems

not only promotes healthier living through high-quality water—but also supports meaningful causes in the region. The Spring Fling Gala presented an opportunity to connect with local residents and organizations who share a common interest in sustainability and giving back.

The company's presence at the event helped raise awareness around the importance of reducing bottled water waste and investing in environmentally responsible home solutions. Attendees also had the chance to learn about One Water Systems' current summer offers and eco-initiatives.

About the Spring Fling Gala
Organized annually by the Helen Woodward Animal Center, the Spring Fling Gala is a signature fundraising event dedicated to supporting adoption programs, medical care for animals in need, and educational outreach. The 2025 event featured cuisine from top San Diego restaurants, entertainment, and a community committed to making a difference.

About One Water Systems
Based in San Diego, One Water Systems provides whole-house [water filtration solutions](#) designed to remove chlorine, chemicals, and impurities without the use of salt or frequent maintenance. The company is committed to sustainability, clean water access, and serving the communities of San Diego and Orange County with integrity and innovation.
