International Property Alerts(IPA)

Mr. Grimley's vital role is overseeing IPA's property network across multiple continents, aligning buyer demand from Asia, the Middle East, Africa, Europe, and North America with top-tier opportunities across emerging and mature markets. As Head of Global Distribution, Mr. Grimley ensures that vetted developments reach the right investor audiences, backed by clear data, secure transactions, and high-integrity partnerships.

"We live in an age where real estate should be borderless," Mr. Grimley says. "Our job at International Property Alerts is to ensure that opportunity flows efficiently across regions. That means transparency, local market intelligence, and the ability to align property launches with real buyer expectations. That's what we will bring to Singapore this July."

## A Visionary in Global Property Channels

Mr. Grimley's background includes leading roles in the UK's most successful international agencies, structuring residential distribution channels across Europe, the Middle East, North America, and Asia-Pacific. From London to Dubai, from Singapore to Cape Town and New York, his name is synonymous with strategic market entry and investment scalability.

Now with International Property Alerts, Mr. Grimley has been instrumental in expanding the brand's global reach, streamlining its developer partnerships, and accelerating off-plan and resale distribution through a sophisticated network of agents, introducers, and sales platforms.

"We don't just market property. We structure launches and create momentum in target regions," he explains. "Our reach spans across five continents, giving buyers worldwide the confidence and tools to enter diverse markets through verified, high-potential property investments."

Head of Global Distribution for International Property Alerts

“

Real estate should be borderless. At IPA, we ensure opportunity flows across regions with transparency, local insight, and buyer-aligned launches—coming to Singapore this July.”

### Unlocking Opportunities Across Continents

From city condos in New York to luxury homes in Dubai, from modern villas in Bali to mixed-use investments in Portugal, International Property Alerts is positioned as the trusted connector between buyers and the world's most desirable real estate. Mr. Grimley's focus is ensuring every project listed through IPA meets stringent standards of quality, developer reliability, and market value.

Global investors today are seeking:

Access to fast-growing emerging markets

Diversification across stable economies

International residency or citizenship benefits

Short and long-term rental income potential

Lifestyle alignment for relocation or retirement

Mr. Grimley emphasizes that a property's value goes beyond price—it's about timing, market transparency, and strategic location.

What Attendees Can Expect in Singapore

At the Global Property Expo Singapore 2025, Mr. Grimley will be hosting distribution briefings and strategic partnership sessions designed for:

Global broker networks seeking cross-border listings

Family offices and wealth managers aiming to diversify

Agents looking to co-market leading developments across regions

Developers seeking structured, global channel partner networks

International Property Alerts will also feature:

Live presentations of global residential and investment properties

Guidance sessions on tax, legal, and residency aspects for international buyers

Private consultations with IPA's distribution and relocation experts

"This isn't a pitch fest," Mr. Grimley affirms. "We're here to create value through informed engagement. Whether you're a high-net-worth buyer, an independent broker, or a developer partner, we want you to leave the Expo with actionable insights and access to world-class opportunities."

Navigating the New Real Estate Reality

Post-pandemic shifts in work culture, digital nomadism, and second citizenship demand have reshaped the global investment landscape. Buyers are prioritizing health infrastructure, digital access, and lifestyle flexibility.

Mr. Grimley believes cross-border real estate investment will define this next decade. Regions like Southeast Asia, Southern Europe, and parts of Latin America are seeing strong demand from international buyers seeking both lifestyle appeal and long-term returns.

"Investors want clarity, and they want access," he says. "At International Property Alerts, we

remove friction and create bridges. That's why our global distribution model continues to grow."

#### A Global Network Built on Trust

IPA's distribution network now spans over 30 countries and includes trusted relationships with IFAs, real estate agents, family offices, legal advisors, and developers. Mr. Grimley's vision is to create a marketplace where transparency and global access are the norm, not the exception.

Under his leadership, International Property Alerts continues to empower agents and buyers alike to navigate diverse markets with confidence. Whether through co-marketing initiatives, regional webinars or on-the-ground property tours, IPA's focus remains clear: unlock the world for investors.
