SAN DIEGO, CA, UNITED STATES, July 15, 2025 /EINPresswire.com/ -- Vickie Riggs, the acclaimed jewelry designer, gemologist, and goldsmith known for transforming raw natural elements into striking wearable art, proudly announces the official introduction of her signature brand: [Vickie Riggs Designs](https://www.vickieriggsdesigns.com). With this debut, Riggs brings decades of fine arts expertise, technical mastery, and a singular creative vision to a bold new platform dedicated to modern heirlooms and sculptural statement jewelry.

A Graduate Jeweler Gemologist (G.J.G) from the Gemological Institute of America, Vickie Riggs is recognized as an innovator in both design and craftsmanship. Her pieces blend rare ultra natural gemstones, designer cuts, and bold metalwork into emotionally resonant creations that speak to personal identity and the beauty of the natural world.

creating work that reflects the uniqueness of each individual, with pieces that hold meaning, memory, and movement.”

Riggs' multidisciplinary background spans graphic design, stained glass, advertising, and fine arts, resulting in a design language that is bold, fluid, and iconically her own. Each collection honors her roots in the wide-open landscapes of rural America and her lifelong love of nature, an influence evident in organic forms, textural contrasts, and intentional sourcing.
