

# Veterans in Fresno CA Receive Priority Mobility Equipment Repairs from Mobility City's Trusted Local Experts

*Owner Gary Ladhar of Mobility City Fresno CA offers electric wheelchair, and mobility equipment repairs for veterans in the San Joaquin Valley.*

FRESNO, CA, UNITED STATES, July 16, 2025 /EINPresswire.com/ -- [Mobility City of Fresno CA](https://www.mobilitycity.com) is helping local veterans regain their independence with priority mobility equipment repairs for these heroes in VISN 21: Sierra Pacific Network and the Fresno Valley Medical Center. It can be a repair of an electric wheelchair, failed controller in lift out chair, a dead battery or a defective battery charger, the Technician Team provides same-day service for all of Fresno area communities. Mobility equipment ready to role and freedom to get around are essential to a veteran independence and quality of life.

"Our Veterans in the Fresno community have earned our very best support," said Gary Ladhar, owner, Mobility City of Fresno. "We are a family owned and operated business. It's our privilege to help them stay mobile and maintain their independence," he said.

Mobility City is the premier provider of mobility equipment repairs, and rentals to mobility impaired persons.

Storefront with Van: Mobility City of Fresno located at 2940 E Nees Avenue, Fresno, California 93720, TEL 559-900-7414

Located at 2940 E Nees Avenue, Fresno, California 93720, Mobility City of Fresno provides repair

services backed by Mobility City's 30-day warranty and a commitment to quality and safety. The company's standard repair service ensures that a veterans mobility scooters, power chair, lift chair and hospital bed is evaluated and repaired within five days. Veterans can also schedule preventative maintenance to avoid interruptions in service and prolong the lifespan of their devices.
