

Glorio Skin Introduces Discovery Set Featuring Its Best-Selling Clay Masks

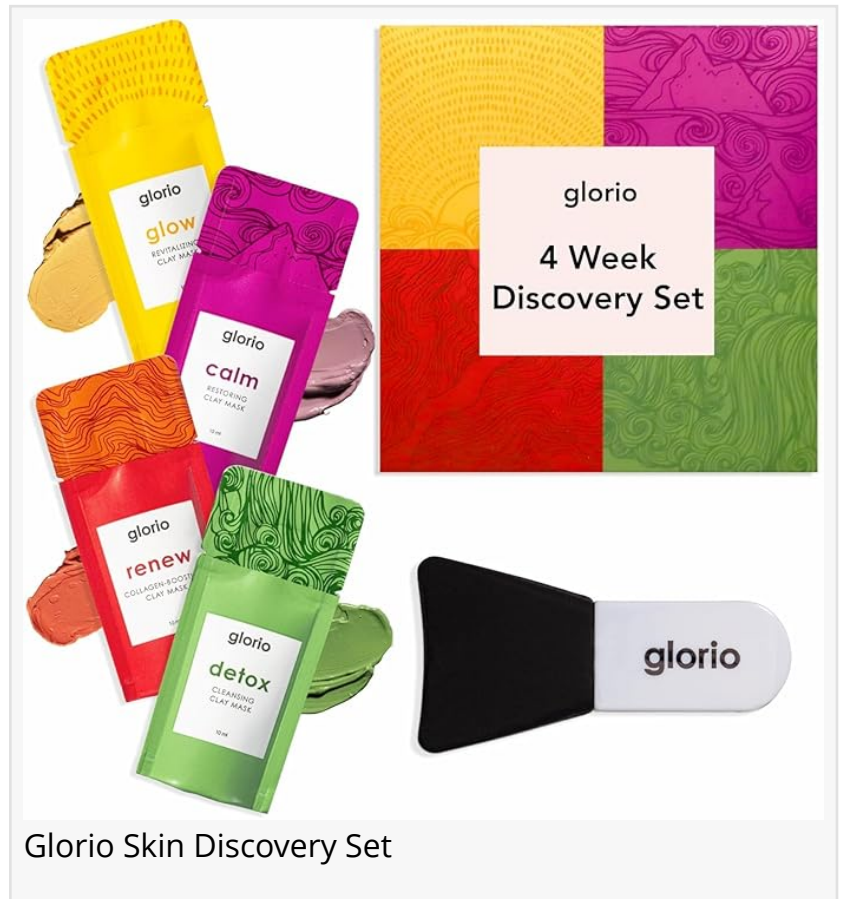

Four targeted formulas offer a comprehensive introduction to Glorio's high-performance skincare

BOCA RATON, FL, UNITED STATES, July 16, 2025 /EINPresswire.com/ -- Glorio Skin, the sustainable skincare brand founded by renowned cosmetic chemist Fadi Mourad, has announced the launch of its new [Discovery Set](#), a curated collection that brings together four of the brand's top-performing clay masks. Designed as a four-week treatment system, the set offers a convenient and effective way for skincare enthusiasts to explore Glorio's full range of mask formulations.

The Discovery Set includes four single-use masks, each developed to target specific skin concerns—from excess oil and congestion to dryness and dullness. A reusable silicone applicator is also included, offering a hygienic and spa-like application experience. Each formula reflects Glorio's commitment to sustainability and performance, using clean ingredients and packaging designed with a zero-waste philosophy.

"This set was created to give people an easy, approachable way to experience everything Glorio Skin stands for—smart formulation, visible results, and conscious beauty," said Fadi Mourad, founder and CEO of Glorio Skin. "It's an invitation to discover how effective skincare can be when you combine innovation with intention."

Mourad, whose career includes product development for industry leaders such as Estée Lauder, Bumble and bumble, and Dollar Shave Club, launched Glorio Skin to bring a fresh perspective to clean skincare. The brand has quickly gained a following for its science-backed formulas and eco-
