The annual SIA list honors staffing firms that have achieved significant revenue growth over a five-year period. The 2025 SIA list of the Fast-Growing U.S. Staffing Firms ranks firms by compound annual growth rate (CAGR) from 2020 through 2024. The median CAGR for all firms listed is

28.3%. Health Advocates Network achieved a remarkable CAGR of 77.7%, proving resilience and

adaptability in a rapidly changing industry.

Health Advocates Network's inclusion underscores its trusted position in addressing critical workforce shortages in healthcare and enhancing access to care across the communities it serves. Health Advocates Network has solidified its place as a trusted leader in the staffing industry.

"The staffing industry's continued resilience is fully apparent in our 2025 fastest-growing staffing firms research," said SIA President Ursula Williams. "Congratulations to this year's qualifying companies and thank you for your highly valued participation in SIA's independent and objective research."

About the SIA Fastest-Growing Staffing Firms list

SIA's Fastest-Growing Staffing Firms list is regarded as one of the most respected benchmarks in the industry, recognizing companies whose performance sets them apart. To be considered for the 2025 Fastest-Growing Staffing Firms list, companies must have achieved a minimum revenue threshold of \$1 million in 2020 and experienced an organic CAGR of at least 15% between 2020 and 2024. Qualifying data for the ranking is collected and evaluated in SIA's annual staffing firm survey.
