“

These certifications are more than badges — they’re proof of our dedication to doing things the right way, every time”

Cody Clinger, CEO

Warranties are only as strong as the company behind them—which is why CCX Roofing has earned elite status with four of North America’s leading roofing manufacturers.

We’re proud to be certified by the industry’s top manufacturers — a mark of our quality, expertise, and commitment to customer satisfaction:

□ Malarkey Emerald Premium Contractor – Specialists in durable, eco-friendly roofing systems with extended product warranties.

□ GAF Master Elite® Contractor – Earned by only 2% of contractors nationwide. Provides access to GAF's highest-tier warranties, including the Golden Pledge®. □ CertainTeed SELECT ShingleMaster™ (SSM) – A designation awarded to fewer than 3% of contractors. Certified to offer SureStart PLUS extended warranty coverage with expert-level installation. □ Owens Corning Preferred Contractor – Recognized for top-quality workmanship and customer service. Enables access to Owens Corning's enhanced system warranties.

"These certifications are more than badges — they're proof of our dedication to doing things the right way, every time," said Cody Clinger, owner of CCX Roofing. "They allow us to offer some of the strongest warranties in the industry, giving our customers confidence that their investment is protected for the long haul."

Whether it's a residential insurance claim, a commercial flat roof, or a full exterior renovation including siding, gutters, windows, and stone or stucco accents, CCX Roofing backs every job with expert craftsmanship, responsive service, and industry-leading protections.
