

Dream Forge Debuts Contemporary Smart Home in Sunnyvale California, Listed by Nick Roe of Doorlight Elite

Dream Forge, a next-generation building solution, unveils its first luxury smart home in Sunnyvale California, represented by Doorlight Elite's Nick Roe.

SUNNYVALE, CA, UNITED STATES, July 18, 2025 /EINPresswire.com/ -- In a landmark debut, Silicon Valley's newest luxury building solution, Dream Forge, proudly presents 239 Eureka Court, a design-forward smart estate that redefines modern living. Nestled within a quiet cul-de-sac in Sunnyvale, this newly completed 2025 contemporary residence blends architectural elegance with next-generation technology — setting a new benchmark for Bay Area real estate.

A Home That Embodies Modern Sophistication

Set on a 7,800 square foot lot and offering 2,240 square feet of interior living space, 239 Eureka Ct in Sunnyvale features 4 bedrooms and 3.5 bathrooms, crafted for elevated comfort and everyday luxury. The home's striking design includes 15-foot raked ceilings, seven skylights, and an expansive 12-foot bifold glass door that seamlessly blends indoor and outdoor living.

At the heart of the home, a designer kitchen showcases a porcelain waterfall island, bespoke European-style cabinetry, and a gourmet appliance suite, all illuminated by layered designer

lighting and smart under-cabinet sensors. The living space flows effortlessly — designed to feel open, modern, and intentional.

Technology is fully integrated and future-ready: TP-Link Tapo Matter smart switches, a Ring camera and smart lock system, built-in surround sound, and a 220V EV charging outlet bring both security and convenience. Additional features include paid solar, a fire sprinkler system, smooth wall finishes, whole-home water filtration, and professionally landscaped grounds that mirror the home's refined aesthetic.

Bathrooms deliver a spa-like experience with imported Spanish tile, a handcrafted Kaolin clay pedestal sink, a polished black marble vessel sink, and a Rock Marble vanity in the primary suite — all curated with a sophisticated global influence.

Dream Forge: A Visionary Building Solution for the Future

Dream Forge is more than a builder — it is a visionary building solution shaping the next generation of residential living across Silicon Valley. Combining design, innovation, and adaptability, Dream Forge brings an artistic approach to modern development, with a nuanced eye for contemporary aesthetics and a commitment to functional luxury.

From smart integration to architectural storytelling, Dream Forge homes are composed — not just constructed — to align with how people live, work, and connect. Their debut of 239 Eureka Ct represents a powerful first step in their broader mission to redefine what homeowners expect from new development in the Bay Area and beyond.

Represented Exclusively by Nick Roe, Head of [Doorlight Elite](#)

239 Eureka Ct is proudly represented by Nick Roe, a top-producing agent and Head of Doorlight Elite, the luxury division of Doorlight. With a reputation for precision, discretion, and innovation, Nick leads the charge in redefining how luxury real estate is marketed and sold across the Bay Area.

Doorlight Elite serves as the high-end arm of the award-winning Doorlight brand, offering a refined, full-service experience tailored to distinctive homes and discerning clients. Under Nick's leadership, Doorlight Elite blends architectural storytelling with cutting-edge marketing and a data-informed approach — ensuring each property is positioned to stand out in the most competitive markets.
