

# Breeze Airways Announces West Coast Expansion with Service to Five New Cities

*New Breeze Service to California, Oregon, and Washington to Begin in March 2026*

SALT LAKE CITY, UT, UNITED STATES, July 17, 2025 /EINPresswire.com/ -- [Breeze Airways](#), the premium leisure carrier connecting underserved cities across the U.S., today announced it will be bringing its affordable, accessible air service to five new cities on the West Coast. The new service – which includes flights from Burbank, Calif.; Arcata, Calif.; Redmond, Oreg.; Eugene, Oreg.; and Pasco/Tri-Cities, Wash. – is scheduled to begin in March 2026, bringing its network to more than 300 routes in 76 cities and 34 states in just four years.

“

Our continued growth is evidence that our unique form of air travel that combines affordability and ease with high-value options is not only working, but highly desired by today's travelers.”

*David Neeleman, founder and CEO*

The announcement, which follows the close of the airline's second full quarter of operating profit, is a direct response to growing demand for the airline's successful hybrid business model and represents a significant expansion of Breeze's West Coast network.

“With an expanded West Coast presence that connects travelers to our broader nationwide network, Breeze's service will bring even more options and convenience to these underserved communities,” said David Neeleman, Breeze Airways' founder and CEO. “Our continued growth is evidence that our unique form of air travel that

combines affordability and ease with high-value options like premium seating and inflight WiFi is not only working, but highly desired by today's travelers.”

Beginning today, travelers can book nonstop, BreezeThru, and connecting flights with Breeze on the following new routes:

“Breeze was started to bring affordable, premium air service to underserved communities and we look forward to introducing new West Coast travelers to our premium product at a time when many of these airports are more underserved than ever,” said Lukas Johnson, Breeze Airways’ chief commercial officer. “We have long been monitoring opportunities to expand our network on the West Coast and hope the news will be a welcome reprieve for travelers in these communities.”

Breeze was recently named one of Fast Company’s World’s Most Innovative companies of 2025 for its fresh take on affordable flying that is transforming low-cost air travel into a nice experience. It was also named the No. 3 Best Domestic Airline by Travel + Leisure in 2025, placing Breeze in the list’s top four every year since it began flying.

The airline’s flexible network conveniently connects travelers in underserved cities directly to desirable destinations nationwide, reducing unnecessary travel time and making air travel more accessible to millions of travelers coast to coast. Coupled with its brand-new fleet of Airbus A220-300 aircraft and premium products like free family seating, fast onboard WiFi, preferred seat options, and no change and cancel fees, Breeze is making it nice to fly affordably.
