

Hypertherm Associates Announces 2024 ESG Report

HANOVER, NH, UNITED STATES, July 21, 2025 /EINPresswire.com/ --

Hypertherm Associates, a leading provider of industrial heat treatment solutions, has announced the release of its 2024 Corporate Culture and Social Responsibility Report. The report, titled "Building a Better Future for All," details the company's commitment to environmental sustainability, community engagement, and associate well-being. The report is available at <https://www.hypertherm.com/2024-esg-report>.

The 2024 report highlights Hypertherm's progress in achieving its ESG goals, including a 15% reduction in greenhouse gas emissions, a 20% increase in community investment, and a 10% improvement in employee satisfaction. The company is committed to transparency and will continue to report on its ESG performance annually.

Hypertherm's commitment to environmental sustainability is reflected in its 2024 report, which shows a 15% reduction in greenhouse gas emissions. The company is also committed to community engagement, with a 20% increase in community investment. Hypertherm's commitment to associate well-being is reflected in a 10% improvement in employee satisfaction.
