

CLIMATISATION HVAC SELECTED AS TOP MECHANICAL HVAC & CONSTRUCTION COMPANY OF THE YEAR BY IAOTB

CLIMATISATION HVAC WILL BE HONORED BY THE INTERNATIONAL ASSOCIATION OF TOP BUSINESSES AT THEIR ANNUAL AWARDS GALA IN LAS VEGAS

NEW YORK, NY, UNITED STATES, July 17, 2025 /EINPresswire.com/ --

Climatisation HVAC, a leader in the HVAC sector, was recently selected as Top Mechanical HVAC & Construction Company of the Year for 2025 by the International Association of Top Businesses (IAOTB), a premier global organization recognizing excellence and innovation across industries.

This recognition highlights the leadership of Yesy Hernandez, President, whose vision and dedication have propelled Climatisation HVAC to new heights in the HVAC and construction industry. With more than two decades of experience, Hernandez has proven herself as a respected expert in a traditionally male-dominated field.

Climatisation HVAC is a woman-owned HVAC and construction company based in Los Angeles, dedicated to delivering innovative, sustainable, and client-centered heating and cooling solutions. Specializing in residential, multi-family, and commercial projects, the company is known for its commitment to safety, transparency, collaboration, and

performance. With a focus on designing green, energy-efficient systems, Climatisation HVAC aims to reduce carbon emissions and promote environmental responsibility, significantly impacting its field and the broader business community.

Climatisation HVAC is founded on six core values: Safety, Transparency, Innovation, Collaboration, Stewardship, and Follow-Through. These principles guide every project, from initial consultation to final installation. The company's mission is to meet project demands and exceed expectations by delivering efficient, sustainable, and cutting-edge HVAC systems that function as the "veins" of modern infrastructure.

As a result of this award, Climatisation HVAC will be featured in IAOTB's annual global business spotlight and honored at the IAOTP Annual Awards Gala as Top Mechanical HVAC & Construction Company of the Year, being held at the Bellagio Hotel in Las Vegas in December to celebrate the achievements of top-performing businesses worldwide.

Inclusion in IAOTB is a prestigious honor reserved for companies that have demonstrated outstanding leadership, innovation, and industry impact. Businesses are hand-selected through a rigorous nomination and vetting process, which evaluates professional reputation, operational success, market influence, and community involvement. Only a select few are chosen annually for this distinguished recognition.

The President of IAOTB and IAOTP, Stephanie Ciriemi, shared:

"IAOTB is more than just an award; it's an international network of excellence. Climatisation HVAC exemplifies the values we look for in a Top Business of the Year honoree, and we are proud to welcome them into our elite circle of innovators and industry leaders."
