

# Cribs for Kids, Baby Safety Foundation, & Safe Kids Worldwide Announce the Safe Sleep Building Blocks Grant Recipients

PITTSBURGH, PA, UNITED STATES, July 18, 2025 /EINPresswire.com/ -- [Cribs for Kids](#), in partnership with [Baby Safety Foundation](#) (Formerly JPMA Cares) and [Safe Kids Worldwide](#), is proud to announce the 40 recipients of the Safe Sleep Building Blocks Grant Program. This nationwide initiative, made possible through a generous grant from Baby Safety Foundation, provides essential infant safe sleep products, education, and community outreach support to organizations dedicated to reducing sleep-related infant deaths.

"We are thrilled to support these 40 outstanding organizations as they work to educate families and provide critical safe sleep resources," said Judy Bannon, Chief Executive Officer of Cribs for Kids. "Through this grant program, we are strengthening safe sleep initiatives in communities that need it most."

Each of the 40 awarded organizations will receive: 20 Safe Sleep Survival Kits, each containing a Cribette play yard, a Cribette sheet, a Snoozzzette wearable blanket, a Sleep Baby Safe & Snug board book, a pacifier, and safe sleep education materials. They will also receive a variety of Community Outreach Support materials, such as a Cribs for Kids Education Package (50 brochures, 50 door hangers, 25 fliers, five posters, and two Safe Sleep Sammi/Sasha Toy Kits), and a Safe Sleep Building Blocks electronic badge for awarded organizations' websites and marketing materials

Practice the ABCs of Safe Sleep: Alone, on their Back, in a safety-approved Crib—every nap, every night.

Packed with essential tools for safe infant sleep, this Safe Sleep Survival Kit will be delivered to each of the 40 Building Blocks Grant awardees.

#### About Safe Kids Worldwide

Safe Kids Worldwide is a nonprofit organization working to reduce unintentional injuries to children ages 0-19 and build sustainable systems that support injury prevention. Safe Kids works with strategic partners and an extensive network of more than 400 coalitions in the U.S. to reduce traffic injuries, drownings, sleep-related deaths, falls, burns, poisonings, and more. We achieve this work through a public health approach that includes research, interventions to educate and raise awareness, safety device distribution and advocacy at the federal, state, and local levels. Safe Kids also supports a worldwide alliance of like-minded organizations in more than 20 countries. Since 1988, Safe Kids and its partners have contributed to a more than 60 percent reduction in the rate of fatal childhood unintentional injury in the U.S. Learn more at [safekids.org](http://safekids.org).
