

David Hermann to Share Vision for GenAI at Zephyr Healthcare Advisors' Conference in October 2025

CEO of HermannGroup, to Share Vision for GenAI and Advanced Tech at Zephyr Healthcare Advisors' Hospital Leadership & Executive Conference

GREENWOOD VILLAGE, CO, UNITED STATES, July 23, 2025

/EINPresswire.com/ -- [Zephyr Healthcare Advisors](https://www.zephyrhealthcareadvisors.com/) is excited to announce that [David Hermann](#)—CEO of HermannGroup, managing editor of the influential publication Futurepresent, M&A Advisor, and Licensed Broker at Sunbelt Business Brokers of Colorado—will be a featured speaker at the [Hospital Leadership & Executive Conference](#), taking place October 9, 2025, at the Hyatt Regency, Huntington Beach Resort and Spa.

With over two decades of experience driving business transformation, Hermann is recognized for his groundbreaking work in applying generative AI (GenAI) and advanced technologies to solve complex challenges in business and healthcare.

At HermannGroup, he has helped organizations unlock over \$500 million in value, guiding leaders through strategy, change management, and digital innovation.

As the managing editor and a contributing author of Futurepresent, Hermann explores the intersection of technology, leadership, and the future of work: offering fresh, actionable insights for today's fast-changing world. His thought leadership on GenAI, digital transformation, and the

future of healthcare has inspired executives nationwide to rethink what's possible.

At the upcoming conference, Hermann will dive into how GenAI and next-generation technologies are revolutionizing work. He'll share real-world insights, practical strategies, and a bold vision for how leaders can harness these tools to drive better outcomes and future-proof their organizations.

"Advanced technologies like GenAI aren't just buzzwords. Healthcare is at a turning point, and leaders have an incredible opportunity to shape the future by embracing new ideas and technologies," said Hermann. "I look forward to connecting with peers at the conference to share practical strategies and inspire meaningful progress for our industry."

Don't miss this chance to hear from one of the field's most forward-thinking voices. For registration and sponsorship details, visit www.zephyrhcadvisors.com.
