True North Security Group, a trusted commercial security systems installation company, sponsored the 2025 Toronto Police Association (TPA) Golf Tournament.

TORONTO, ONTARIO, CANADA, July 18, 2025 /EINPresswire.com/ -- This year's TPA Golf Classic tournament, held at Richmond Hill Golf Club, brought together law enforcement personnel, community leaders, and corporate sponsors to raise funds for Heroes in Life, an initiative that honours fallen officers and supports their loved ones. Through event-day donations and a raffle featuring Toronto Blue Jays ticket packages, the TPA helped to raise critical funds to support the Ontario Police Memorial Foundation.

As an Event Sponsor, [True North Security Group](#) helped drive community engagement and strengthen ties between public safety partners and local businesses. "We were honoured to stand beside the Toronto Police Association in recognizing those who serve and sacrifice," said Serge Bond, Chief Revenue Officer at TNSG. "Supporting this tournament reflects our commitment to protecting not only buildings and businesses, but also the values that hold our communities together."

A quick registration and breakfast were followed by welcome remarks by TPA Directors, Derek Gregoris and Sean Stockwell. The tournament saw a strong turnout, with dozens of teams participating in friendly competition. The main activities of the afternoon included "Hole-in-One" challenge with \$10,000 cash prize, "Closest to the Line" and "Longest Drive" categories, and even awards for worst and best dressed guests.

The event concluded with a BBQ dinner, awards, the Blue Jays ticket raffle, and closing remarks by TPA President Clayton Campbell — all in the spirit of camaraderie and remembrance.

“True North’s sponsorship helped elevate this year’s event, both in turnout and in the meaningful impact made through the Heroes in Life campaign,” said TPA representative Tanis Hurst. “We appreciate their support and look forward to continued partnerships.” True North Security Group will continue to contribute to local events that support public safety, building a future where everyone feels and actually is protected.
