"Acquiring these assets is a significant milestone, giving us the flexibility to implement changes required to meet customer needs and requests.

“

Acquiring these assets is a significant milestone, giving us the flexibility to implement changes required to meet customer needs and requests.”

*Steve Maiorano, CEO  
Pharmacolog USA, Inc.*

WasteLog™ is an essential tool for health systems to detect and prevent the diversion of controlled substances in high-risk areas. We need to adapt quickly to customer needs, recommendations from certifying agencies, or changes in DEA or state regulations. This acquisition allows us to respond efficiently to minor software or hardware modifications.”

To ensure a seamless transition, Pharmacolog USA, Inc. has signed a separate agreement with the manufacturer of

WasteLog™ and DrugLog™ to ensure uninterrupted production.

Pharmacolog USA, Inc. will maintain its headquarters in Chicago, IL, with a satellite office in New York.
