

Frontline Source Group Named to Forbes 2025 List of America's Best Professional Recruiting Firms

For the eighth consecutive year, the staffing firm is recognized for its outstanding performance based on recommendations from clients, candidates, and peers.

DALLAS, TX, UNITED STATES, July 19, 2025 /EINPresswire.com/ -- Frontline Source Group Named to Forbes 2025 List of America's Best Professional Recruiting Firms

Frontline Source Group, Inc., a leading national [staffing and direct hire recruitment agency](#), today announced its inclusion on the prestigious Forbes list of America's Best Professional Recruiting Firms 2025. This marks the eighth consecutive year the company has earned this distinction, reinforcing its position as a leader in the competitive staffing industry.

The recognition is based on an independent survey conducted by Forbes in partnership with the market research firm Statista. The list was compiled from the survey responses of over 9,300 external recruiters, human resources managers, and candidates who have recently worked with a recruiting firm. This comprehensive evaluation process makes the Forbes list one of the most respected rankings in the recruitment sector.

"We are incredibly honored to be recognized by Forbes for the eighth year in a row," said Bill Kasko, President and CEO of Frontline Source Group. "This award is a direct reflection of our team's unwavering commitment to creating meaningful connections between exceptional talent and outstanding companies. It's not just about filling a position; it's about understanding our clients' needs and building futures for the professionals we place. This continued recognition validates that our focus on people, process, and technology is delivering real value."

Frontline Source Group provides professional temporary [staffing, contract-to-hire, and direct-hire services](#) for a wide range of industries, including Technology/IT, Accounting, Finance, Human Resources, Legal, Administrative, Customer Service, and Oil & Gas. The firm's consistent presence on the Forbes list highlights its ability to deliver high-quality results and maintain strong relationships with both employers and job seekers nationwide.

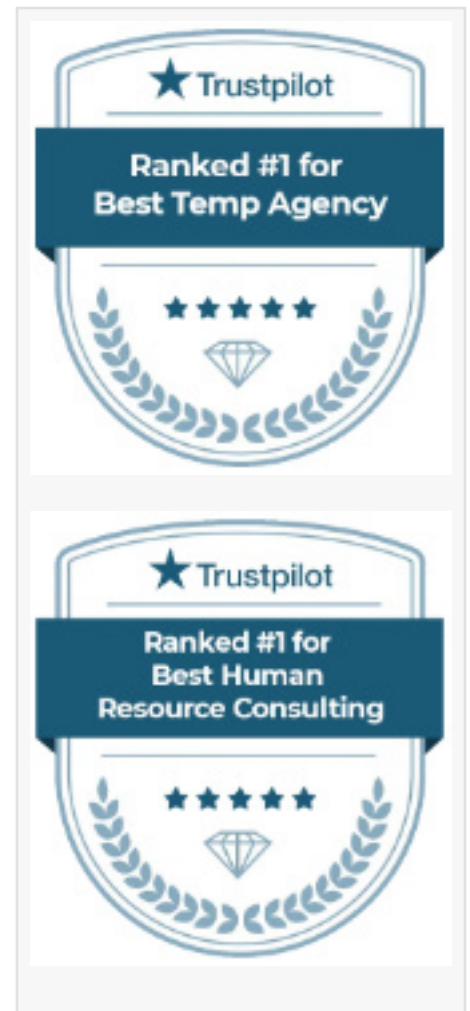

The "America's Best Professional Recruiting Firms" list identifies the top 150 firms that specialize in filling positions with salaries up to \$100,000. To determine the winners, Statista surveyed thousands of participants, asking them to recommend firms based on their own experiences. Firms that received a high number of recommendations and positive assessments were included in the final list.
