

# EXANTE Launches Pulse: AI That Turns Market Noise into Instant Insight

LIMASSOL, CYPRUS, July 21, 2025

/EINPresswire.com/ -- Global prime broker EXANTE today announced the launch of EXANTE Pulse, a cutting-edge, AI-powered news aggregator set to revolutionise how professional investors consume, understand and act on real-time market insights.

Built exclusively on EXANTE's award-winning trading platform, and designed with their institutional clients in mind, EXANTE Pulse delivers real-time, hyper-relevant market intelligence tailored to clients' portfolios, strategy, and watchlists.

The new feature uses proprietary artificial intelligence to scan and distil global news, helping investors cut through the noise and stay ahead of opportunities and risks.

“

Pulse is an AI-curated newsfeed that gives professional investors an edge. In a world of fast-moving markets and constant news, Pulse cuts through the noise to deliver precision insights — fast.”

*Richard Forss, EXANTE CTO*

EXANTE's Chief Technology Officer, Richard Forss commented: “Pulse is an AI-curated newsfeed that gives professional investors an edge. In a world of fast-moving markets and constant news, Pulse cuts through the noise to deliver precision insights — fast.”

Anatoly Knyazev, EXANTE's Co-Founder added: “We founded EXANTE to build what didn't exist: an innovative trading experience that gives professional investors access to institutional tools. Pulse is the latest chapter in that story: cutting-edge innovation built for clarity, tuned for

speed, and engineered to meet our clients needs.”

Key features include:

- Real-time AI-driven news summaries
- Fully personalised to the client's portfolio, strategy, and watchlists

EXANTE launches Pulse

- Instant AI sentiment marker for a rapid overview of market mood
- Flexible appearance modes suitable for any displays, helping investors stay ahead wherever they are.

EXANTE Pulse is immediately available to all EXANTE clients via the platform's web interface.
