

ModusLink Amsterdam Facility Awarded ISO 9001 Certification

Facility latest to receive ISO 9001 certification by third-party auditors following an intensive review of the site's Quality Management System.

SMYRNA, TN, UNITED STATES, July 22, 2025 /EINPresswire.com/ -- [ModusLink](#) Corporation, a leading end-to-end global [supply chain solutions](#) and cross border eCommerce provider, is proud to announce that their [Amsterdam](#) facility is the latest of their 20+ sites to be awarded the ISO 9001 certification, following the successful completion of a comprehensive third-party audit of the site's quality management systems.

ISO 9001 is an internationally recognized standard for quality management systems (QMS). It provides a framework for organizations to consistently meet customer requirements, improve operational efficiency, and ensure continual improvement across all business functions. The standard is maintained by the International Organization for Standardization and is used globally to ensure high levels of quality and performance.

"Receiving the ISO 9001 certification reflects the ModusLink Amsterdam team's strong focus on operational excellence, service consistency, and customer satisfaction," said Fawaz Khalil, Chief Executive Officer at ModusLink. "This recognition reflects our commitment to delivering reliable, high-quality supply chain solutions to our customers."

The ISO 9001 certification joins a growing list of ModusLink site accreditations that demonstrate its adherence to internationally accepted standards for quality, sustainability, and responsible operations.
