

A Remarkable Life Story of Resilience, Reinvention, and Relentless Spirit

From hardship to global impact—one man's journey of resilience and determination.

CA, UNITED STATES, July 21, 2025 /EINPresswire.com/ -- In his compelling memoir [From Nothing to 90, Will Klein](#) takes readers on an unforgettable journey through poverty, perseverance, and personal triumph. From Depression-era Saskatchewan to global leadership in business and public service, Klein's life story is a powerful testament to the strength of the human spirit—and the power of never giving up.

Told with warmth, wit, and wisdom, this memoir captures everything from Klein's hardscrabble childhood and rise in early television, to being betrayed by the very political structures he served. But more than a personal narrative, *From Nothing to 90* is also the story of a province, a country, and a generation of people who created opportunity through grit, imagination, and integrity.

"Never give up, never ever give up." — Winston Churchill
