

UniTek Global Services Announces the Establishment of its Power Services Division

The newly established power services business unit will provide support services for the ever expanding challenges of the growing United States power sector.

“

Our UniTek Power Services division will meet the challenges of the growing U.S. power sector with maintenance, repair, upgrade, and new infrastructure development services.”

Kirk Smith, EVP

JACKSON, MS, UNITED STATES, July 21, 2025

/EINPresswire.com/ -- [UniTek](#) Global Services, Inc. (“UniTek” or the “Company”), a leading provider of [infrastructure](#) solutions to the communications and data center end markets, proudly announces the formation of its Power Services Division. The newly established business unit will broaden the Company’s capabilities to include maintenance, repair, upgrade, and new infrastructure development services supporting the growing needs of the power sector.

Pete Sandore has been appointed as Chairman of UniTek

Power Services and will be stewarding the division’s long-term strategy. Mr. Sandore brings more than three decades of experience leading scaled engineering, construction, and utility services businesses for the power end market. Prior to joining UniTek, Mr. Sandore served as CEO of PLH Group, Inc., Sabre Industries, Inc., and President and CEO of American Tower Services, Inc. respectively. Pete’s deep understanding of the power sector and track record of driving profitable growth will be critical to establishing UniTek’s Power Services business as a trusted partner to utilities, energy developers, and public-sector clients nationwide.

UniTek Chairman, Austin Shanfelter, said “On behalf of the Board and our sponsors, we are thrilled to welcome Pete to the UniTek [leadership](#) team.”

UniTek CEO, Charlie Smith added, “Pete’s strategic vision and unmatched industry knowledge will accelerate our entry into the power space as we continue to diversify our service offerings and meet rising demand for resilient, sustainable infrastructure.”

“I’m honored to join UniTek during this exciting time of growth and transformation,” said Pete Sandore. “The Power Services business is poised to support the nation’s evolving energy needs, and I look forward to working with our teams and partners to build the next generation of grid

infrastructure.”

Under Mr. Sandore’s leadership, UniTek will seek to deliver high-quality, efficient, and innovative power infrastructure across the country.

About UniTek Global Services, Inc.
