

# APS Global and Ailani Hawaiian Announce Strategic Partnership to Expand L.L.U.C.E. AI/LLM Compliance Solutions

LAUREL, MD, UNITED STATES, July 21, 2025 /EINPresswire.com/ -- APS Global, a leader in AI/LLM-driven cybersecurity compliance solutions, is thrilled to announce a strategic partnership with Ailani Hawaiian, a Small Business Administration (SBA) Certified 8(a), Native Hawaiian Organization (NHO) based in Hawaii, to accelerate the growth and adoption of its Large Language Universal Compliance Engine ([L.L.U.C.E.](#)) product suite. This collaboration aims to empower organizations across government, defense, and commercial sectors to streamline regulatory compliance with cutting-edge AI technology.

APS Global's L.L.U.C.E. portfolio, including CompassAPT, PolarisFCA, PraesidiaHCA, and BenedexGCA, revolutionizes compliance processes for frameworks such as CMMC, NIST SP 800-171, FFIEC, HIPAA, and more. By leveraging advanced AI and Retrieval Augmented Generation (RAG), L.L.U.C.E. delivers rapid, accurate, and scalable assessments, reducing compliance timelines by up to tenfold while ensuring adherence to rigorous standards like FedRAMP and DoD Impact Levels 4-6.

Guided by passion, authenticity, and integrity, we are a NHO dedicated to excellence. Ailani Hawaiian brings its expertise in Program Management, Digital Solutions, Emergency Operations and market expansion to the partnership. With a proven track record of guiding organizations to success, Ailani will drive the promotion and implementation of L.L.U.C.E. solutions, particularly in

the Government Contracting industry, enabling clients to navigate complex regulatory landscapes with ease.

“This partnership with Ailani Hawaiian marks a significant milestone in expanding the reach of our L.L.U.C.E. solutions,” said Dr. Richard Hansen, CEO and Founder of APS Global. “Together, we will empower organizations to achieve compliance faster, reduce costs, and mitigate risks, all while maintaining the highest standards of cybersecurity.”

“Why Ailani Hawaiian?” said Christopher P. Cronin, CEO of Ailani Management Group “We offer a high probability of program success that comes with an easy and expeditious acquisition approach. The evidence of the high probability of success can be found in APS Global’s L.L.U.C.E. portfolio. The easy and expeditious acquisition approach comes from the contracting apportionments available when awarding to an SBA Certified 8(a), NHO”.

APS Global, a Candidate C3PAO with certified Lead CMMC Assessors, and Ailani Hawaiian are poised to redefine compliance efficiency for the Defense Industrial Base, federal agencies, and commercial entities worldwide.
