*Alabama Law Firm to Award Ten \$200 Amazon Gift Cards for School Shopping*

HUNTSVILLE, AL, UNITED STATES, July 23, 2025 /EINPresswire.com/ -- Tyler Mann Injury Law, a leading personal injury law firm serving North Alabama, is excited to announce its [Back-to-School Gift Card Giveaway](#). As Alabama families prepare for the upcoming academic year, the firm is demonstrating its commitment to community support by offering ten \$200 Amazon gift cards to help offset the rising costs of back-to-school shopping.

According to the United States Federal Credit Union, families with children in elementary through high school spend an average of \$586 per child on back-to-school shopping, which does not include the cost of extracurricular activities. This significant expense can create financial stress for families just as they're preparing to launch their children into a successful school year.

“

As a father, I know how quickly school supply costs can add up. Our goal is to help ten families breathe a little easier this year while their children focus on learning and growing.”
