

# MustWants Launches in San Antonio and Nationwide Revolutionizing PCS Moves with Patented Visual Collaboration Technology

*MustWants officially launches in San Antonio, TX, and expands its nationwide availability to support military families.*

SAN ANTONIO, TX, UNITED STATES, July 21, 2025 /EINPresswire.com/ --

[MustWants](#), a veteran-owned and built home search platform tailored for military families and transitioning veterans, is transforming the way service members navigate Permanent Change of Station (PCS) relocations.

With the official launch in San Antonio and expanded availability nationwide, MustWants brings to market a patented visual decision-making system, privacy-first commitment, and a dedicated network of military-savvy real estate professionals.

“

This isn't a search platform—it's a truly collaborative decision-making platform, integrating what a military family needs to make an informed, secure, trusted, fast, and confident housing decision.”

*Scott, Co-Founder of  
MustWants*

## A Patented, Military-First Platform

At the heart of MustWants is its U.S.-patented visual collaboration tool—an interactive interface that enables families, agents, and lenders to:

- Prioritize desires and criteria
- Rank homes based on personal preferences
- Compare options side-by-side in real time with their chosen partner

Customizable overlays provide key insights into:

- Local school quality
- Neighborhood crime statistics

- FEMA risk zones
- Walkability scores
- Multi-point commute patterns

--

## Exclusive Housing Allowance Mapping

MustWants introduces the industry's first BAH (Basic Allowance for Housing) Cost of Living Visual Map, a dynamic overlay that visualizes:

- Service members' housing allowances
- Market trends and median home prices

This tool empowers users to identify neighborhoods that balance affordability and competitiveness.
