

Grameen Distribution Launches New Feature Phone G88

Grameen Distribution Limited (GDL) has introduced its latest feature phone, the G88, to the Bangladeshi market.

DHAKA, BANGLADESH, July 22, 2025 /EINPresswire.com/ -- Grameen Distribution Limited (GDL) has introduced its latest [feature phone in Bangladesh](#), the G88, to the Bangladeshi market. If you're looking for a reliable feature phone at an affordable price, the GDL G88 could be the perfect choice.

Available at just Tk. 1,490, the G88 offers essential features including a large battery and wireless FM radio. With a 2.8-inch big display, a powerful 2950mAh lithium-ion battery, and a large torchlight, this phone is especially suited for rural and remote areas.

Powered by the MTK6261D chipset, the phone includes 32MB RAM and 32MB ROM—ideal for calling, messaging, and basic usage.

A 0.08MP rear camera is included, and users can enjoy wireless FM radio without headphones. The G88 is available in four attractive colors: black, blue, green, and light green.

You can find it in over 14,000 retail outlets nationwide. GDL also offers 36 service centers across the country, providing a 7-day replacement guarantee and 1-year service warranty.

For Info, Grameen Distribution Limited is a local [mobile manufacturing company in Bangladesh](#)

The advertisement features a light green background with a large, faint 'GDL G88' watermark. In the top left corner is the 'Grameen Distribution' logo, and in the top right corner is the 'GDL' logo. The central text reads 'Be LOUD' with a speaker icon and 'Stay CONNECTED' with a lightning bolt icon. Below this text, a light green GDL G88 feature phone is shown in two orientations: one standing upright and one lying flat. The phone has a 2.8-inch screen displaying a blue and yellow abstract image, a circular navigation pad, and a numeric keypad. At the bottom left of the ad is the website 'www.grameendistribution.com', and at the bottom right is a black button with white text that says 'ORDER NOW'.

Grameen Distribution's New Phone GDL G88

that began its journey in 2009. It is a social business-oriented company with the mission of making digital devices accessible and affordable for everyone—from urban centers to rural communities—so that all can benefit from digital transformation.

In 2019, GDL became the first in Bangladesh to launch Semi-Knocked Down (SKD) mobile manufacturing facilities, playing a significant role in national production, job creation, and skill development. The manufacturing unit currently employs over 900 workers. Additionally, the company has a network of more than 600 authorized dealers, over 14,000 retail outlets, 28 collection points and 36 service centers across the country.
