

Savant Labs Awarded 2025 Top Analytics Automation Solution by CFO Tech Outlook

Savant Labs is honored for helping enterprises close the analytics gap through no-code AI automation tools, agentic workflows and intelligent governance

SAN MATEO, CA, UNITED STATES, July 23, 2025 /EINPresswire.com/ -- [Savant Labs](#), the leader in AI-powered [analytics automation](#), today it has been recognized by [CFO Tech Outlook](#) as Top Analytics Automation Platform in 2025. The award highlights Savant's role in helping organizations accelerate insights, improve decision-making, and streamline data processes with AI-powered agentic workflows. Savant's

platform was selected as category winner by a panel of independent CFOs and financial executives based on a range of criteria including capability, innovation, usability and pricing.

The win coincides with a featured profile article, showcasing Savant's practical approach to analytics orchestration and how its agentic AI-driven platform is reshaping how finance teams operate in high-volume, high-velocity environments. CFO Tech Outlook is a trusted digital and print publication that helps CFOs and financial executives stay informed on technology trends and insights through expert interviews, in-depth articles, and curated solution spotlights.

“

This award reflects the progress our team and clients are making in bringing trustworthy, agentic AI into enterprise analytics.”

Chitrang Shah, CEO and Co-Founder of Savant Labs

The article explores:

□ The analytics bottleneck facing CFO teams and how Savant addresses it by equipping spreadsheet-savvy

analysts with intuitive, no-code automation tools.

- Challenges with traditional analytics tools around cost, governance, and usability, and the need for a more modern, flexible solution.
- Savant's governance model, which provides centralized visibility, compliance controls, and audit-ready reporting, while enabling broader access.
- A case study from Zynex Medical, where Savant helped streamline workflows, expand access across departments, and deliver a strong return on investment.

Through real-world examples and insights from Savant's leadership, the article offers a blueprint for CFOs and finance teams looking to operationalize AI analytics automation with both speed and control.

"It's a privilege to be recognized by CFO Tech Outlook," said Chitrang Shah, CEO and Co-Founder of Savant Labs. "This award reflects the progress our team and clients are making in bringing trustworthy, agentic AI into enterprise analytics."
