

Frontiers: The Journey of Two Surgeons Through Stroke By Dr. Siva Murugappan and Dr. Prema Samy

PAIN COURT, ONTARIO, CANADA, July 23, 2025

/EINPresswire.com/ -- Winner of the Reviewers' Choice Award 2023–2024 and featured in Publishers Weekly, *Frontiers: The Journey of Two Surgeons through Stroke* delivers a gripping dual memoir that chronicles the stroke survival and rehabilitation of esteemed Canadian surgeon Dr. Siva Murugappan, told through his perspectives and those of his wife and co-author, Dr. Prema Samy.

At the peak of his career, Dr. Murugappan achieved the remarkable feat of conquering Mount Kailash. Just months later, in a twist of fate, he suffered a stroke while performing surgery. What followed was not just a fight for life, but a bold pursuit to reclaim his medical license, an unprecedented feat in Canada.

Frontiers is more than a medical narrative; it is a deeply personal exploration of identity, resilience, and devotion. As Dr. Murugappan breaks barriers in stroke rehabilitation, Dr. Samy takes readers into the emotional trenches of caregiving, marriage, and unwavering love. Together, they highlight the human capacity to defy the odds and reimagine possibilities.

Having captivated audiences at the L.A. Times and Frankfurt Book Fairs, *Frontiers* is quickly establishing itself as a must-read memoir in both medical and literary circles. This extraordinary narrative redefines the frontier, not just of medicine, but of courage, determination, and partnership.

For anyone seeking inspiration, insight, or simply an unforgettable story of grit and grace, *Frontiers* invites you to believe in recovery against all expectations.
