

# Fluxx Conference 2025 Opens Award Nominations

- *The conference is scheduled for 3&4th October 2025 in Doha, Qatar*
- *Interested applicants can apply for the category of business and healthcare*

DOHA, QATAR, July 23, 2025 /EINPresswire.com/ -- Following the tremendous success of the Fluxx Awards in Hong Kong, which celebrated global trailblazers across industries, Fluxx Events is proud to bring its flagship experience to the Middle East with [Fluxx Conference](#) 2025. Set in the heart of Doha, this landmark event promises to elevate the global stage for business and healthcare elites on 3rd and 4th October 2025.

Award nominations are now officially open for individuals, leaders, and organizations creating a meaningful impact in the fields of business and healthcare. Categories include Technology, HR, Marketing, Education, Finance, and Healthcare, recognizing trailblazers who are redefining excellence across these vital sectors.

Day One of the conference will feature leading voices from across industries sharing insights on business, innovation, sustainability and emerging trends. Expect powerful keynotes, engaging panel discussions, and networking experiences designed to spark collaboration across business sectors. The day will conclude with the Fluxx Awards Ceremony, celebrating exceptional achievements across business industries followed by a Night of Elegance: Soirée, Gala Dinner and Exclusive Entertainment.

Day Two will spotlight the healthcare elite, diving deep into the evolving landscape of global health. The agenda will explore critical conversations around the future of healthcare, unpacking the nuances of the industry and the transformative role of digital health technologies. From panel discussions to keynote sessions to recognising achievers to gala night, the day will bring together medical visionaries, digital health disruptors, and wellness pioneers—all under one roof, shaping what's next for healthcare worldwide.

Fluxx Conference is a global platform where business and healthcare leaders meet to exchange ideas, drive innovation, and build solutions with real-world impact.”
