Bitpace to Showcase Crypto Payment Solutions at SBC Summit 2025 in Lisbon

SBC Summit is one of the iGaming industry's largest global gatherings, drawing participants from over 130 countries. Following record attendance in 2024, the event returns to Lisbon in 2025 with expanded zones, specialised summits, and an even broader international focus.

“

Our goal is to empower businesses with a secure, flexible payment infrastructure that scales across markets”

Hristo Koevski, Head of Sales - Emerging Markets, at Bitpace

At this year’s summit, Bitpace will demonstrate how its crypto payment gateway enables businesses to simplify global transactions, enhance security and reduce operational costs. Attendees can experience live demos of Bitpace’s customisable payment interfaces and discover how crypto solutions are transforming cross-border payments across the iGaming industry.

“Our goal is to empower businesses with a secure, flexible payment infrastructure that scales across markets,” said

Hristo Koevski, Head of Sales - Emerging Markets, at Bitpace. “SBC Summit provides the perfect platform to showcase how crypto can unlock new revenue opportunities for iGaming companies.”

Bitpace’s team will also be available to discuss regulatory developments, including how MiCA (Markets in Crypto-Assets) is shaping the future of crypto payments in Europe and beyond.
