AI is transforming industries

**Position yourself  
at the forefront**

Backed by major players such as Sequoia, Google Cloud, Cerebras, Hugging Face, Groq, Snowflake, and Founders Fund, the summit featured dynamic discussions, cutting-edge product showcases, and countless opportunities for deal-making and cross-sector collaboration.

Sanjay Puri, Founder and Chairman of Knowledge Networks, reflected on the experience: “Our partnership with RAISE Summit 2025 reaffirmed the critical role of global collaboration in accelerating AI innovation. It was inspiring to witness so many of the world’s brightest minds come together to address real-world challenges with cutting-edge solutions. RAISE is more than an event — it’s a global catalyst for change.”

Through this collaboration, Knowledge Networks continued its mission to bridge international

ecosystems and foster meaningful engagement between tech leaders, investors, and policymakers.
