GREENVILLE, SC, UNITED STATES, July 23, 2025 /EINPresswire.com/ --

Proactive MD® is excited to announce that its Greenville Health Center has been named a winner of the Best Physician Practices category in the 2025 Best of South Carolina awards. This recognition reflects the compassionate, patient-centered care Proactive MD provides, not only in Greenville, but across its Health Centers throughout the state.

"I'm so proud of the Greenville Health Center and thankful to the patients who supported the team in achieving this," says John Collier, Founder and CEO of Proactive MD. "Having our commitment to patients acknowledged by the people of South Carolina is an honor that speaks to our mission of providing high-quality care without compromise."

The Best of South Carolina Awards are determined through a nomination and voting stage. Award winners are decided through a public vote from South Carolina residents, as well as rankings from external websites and insights from the Better Business Bureau.

"Caring for patients throughout the Upstate is already a privilege," said Ashley Wooten, NP, provider at the Greenville Health Center. "To be recognized by our community is incredibly meaningful. I'm thankful for the patients who voted and our dedicated care team that makes this possible."
