## ABOUT STARRS

STARRS' mission is to help educate all Americans regarding the criticality of having a military that focuses solely on the essential readiness needed to fight and win our Nation's wars.

Winning requires a military that provides equal opportunity and a meritocracy leadership system that rewards high standards, ethical character, teamwork, and selfless service to our Nation. This mission accomplishment requires the elimination of DEI from the DoD by informing people about all ideologies, policies, agendas, and organizations that threaten a meritocracy-based military.
