

Alexander G. Markovsky Article on 'The Philosophy of Poverty' Available at STARRS

The current American political environment is conducive to the spread of socialism, according to Markovsky

COLORADO SPRINGS, CO, UNITED STATES, July 28, 2025

/EINPresswire.com/ -- An article titled "Democratic Socialism -- The Philosophy of Poverty" by Alexander G. Markovsky has been added to the 'STARRS Authors' series, according to Dr. Ron Scott, USAF Colonel (Ret.), STARRS President & CEO. "We felt it appropriate to add this article to our online library for the public, as there is a growing trend of candidates supporting or identifying with socialism in America."

"The Democratic Socialists of America ([DSA](#)) members and endorsees include individuals from New York, Minnesota, Texas and more." Scott said.

Available on the STARRS website is a bibliography about the author: "Alexander G. Markovsky, the Soviet émigré who earned a Ph.D. in economics and political science from the University of Marxism–Leninism and an MS in structural engineering from Moscow and Kharkov universities. He is a senior fellow at the London Center for Policy Research, a think tank that examines national security, energy, risk analysis, and other public policy issues. He is the author of two politically charged books, "Anatomy of a Bolshevik" and "Liberal Bolshevism: America Did Not Defeat Communism, She Adopted It." Mr. Markovsky has published more than 400 articles on American Thinker, The Hill, Newsmax, and American Infrastructure, covering a variety of topics such as socialism, foreign policy, the war in Ukraine, problems with American Infrastructure, and many others. He is the owner and CEO of Litwin Management Services, LLC. He can be reached
