

Wichita Family Scammed Out of \$28,000 Gets Surprise Help from Local Roofing Company

Keeter Roofing & Remodeling steps in to repair roof and siding for free, earning community praise and local news recognition

WICHITA, KS, UNITED STATES, July 24, 2025 /EINPresswire.com/ -- After a devastating contractor scam left the Shellhammer family of Wichita out \$28,000 and with a damaged, unfinished home, [Keeter Roofing & Remodeling](#) stepped up—restoring the family’s roof and siding completely free of charge.

The Shellhammers hired a contractor in April 2023 to replace their roof and siding. A year later, the work was still unfinished and their money was gone. The family’s story aired on KAKE News, highlighting the emotional and financial toll the situation had taken on them. That’s when Daryn Keeter, owner of Keeter Roofing & Remodeling, decided to act.

“When I saw what happened to the Shellhammers, I knew we had to help,” said Keeter. “No family should have to go through that kind of stress and loss—especially when they trusted someone to care for their home.”

“They saved the day”

Keeter Roofing & Remodeling not only completed the work at no cost, but also provided the Shellhammer family with the peace of mind and quality craftsmanship they had originally hoped for. KAKE News captured the moment and aired a feature on Keeter’s generous act, which quickly resonated with viewers across Wichita.
